FEATURES

- **Stock Colors** - Choose from a curated list of our most popular color options by leading phenolic suppliers.
*Choosing from our stock colors may help expedite lead times.
- **High-End Customization Options**- Choose from optional polycarbonate colored glass or imprinted images on locker doors for a premium look. Additional features include optional LED lighting and USB chargers, with side-mounted aluminum channels for hard-wired RFID locks and conveniently placed USB chargers.
- **Ventilation**- 360° 2mm gap around doors for increased ventilation.
- **Hooks**- 3 Prong rotating hooks come standard with all 1 -2 Tier and Z Style models.
- **Indoor Use**- Designed for dry indoor environments, plastic laminate is suitable for locker rooms, break rooms, and staff areas. These lockers are not recommended for areas with direct water exposure or high humidity.
- **Extensive Lock Options**- We provide a wide selection of lock types and can integrate additional lock options to meet specific requirements.
- **Lower or Upper Cubby**- Available for 1-, 2-, and 3- tier lockers. Optional bench seating can be integrated into the cubbies or installed on a pre-built base.
- **Number Plates**- Adhesive mounted brushed aluminum plates with black etched reveal.
- **Shipped Fully Assembled**- Plastic Laminate Lockers arrive pre-assembled for quick, hassle-free installation, ensuring consistent quality, and structural integrity.
- **Filler and Toe Kick Panels**- Filler panels close gaps between lockers and walls for a seamless, professional finish, while toe kick panels cover the space beneath lockers, preventing dirt accumulation and providing a polished, clean look to the installation.
- **3-Year Warranty**- Our plastic laminate lockers come with a 3 year warranty.
