FEATURES

- **Water and Weather Resistance-** Built to withstand humid environments and even direct water exposure, making them ideal for aquatic centers, swimming pools, and installations near showers. For outdoor applications, we offer UV-protected doors and panels.
- **Ventilation-** 360° 3mm gap around doors for increased ventilation.
- **Hooks-** 3 Prong rotating hooks come standard with all 1 -2 Tier and Z Style models.
- **Stock Colors -** Choose from a curated list of our most popular color options by leading phenolic suppliers.
*Choosing from our stock colors may help expedite lead times.
- **High-End Customization Options-** Choose from optional polycarbonate colored glass or imprinted images on locker doors for a premium look. Additional features include optional LED lighting and USB chargers, with side-mounted aluminum channels for hard-wired RFID locks and conveniently placed USB chargers.
- **Extensive Lock Options-** We provide a wide selection of lock types and can integrate additional lock options to meet specific requirements.
- **Lower or Upper Cubby-** Available for 1-, 2-, 3-, and Z-style lockers. Optional bench seating can be integrated into the cubbies or installed on a pre-built base.
- **Number Plates-** Adhesive mounted brushed aluminum plates with black etched reveal.
- **Shipped Fully Assembled-** Solid Phenolic Lockers arrive pre-assembled for quick, hassle-free installation, ensuring consistent quality, and structural integrity.
- **Filler and Toe Kick Panels-** Filler panels close gaps between lockers and walls for a seamless, professional finish, while toe kick panels cover the space beneath lockers, preventing dirt accumulation and providing a polished, clean look to the installation.
- **20-Year Warranty-** Our products come with an industry-leading 20-year warranty.
